

CREATING THE TASTE  
OF PLEASURE

Wir haben unseren ersten Schritt in der Schokoladen- und Süßwarenbranche im Jahr 2003 an der Gaziantep Araban Road gemacht.

We took our first step to Chocolate and Confectionery sector on the Gaziantep Araban Road in 2003

#### UNSERE GESCHICHTE

Wir haben 2014 eine neue Anlage mit 60.000 m<sup>2</sup> Außen- und 100.000 m<sup>2</sup> Innenfläche gebaut, um mehr Qualität bei der Herstellung von Schokolade, Nuga-Riegeln, Kokosnussriegeln, Waffeln, Frühstücks- und Cremetubenschokolade zu erzielen. Wir haben ein Organisationskonzept entwickelt, das auf Menschlichkeit, Hygiene und Nachhaltigkeit setzt.

Wir sind stolz darauf, eine nationale Verantwortung zu übernehmen und unsere Produkte in sieben Kontinenten und 92 Ländern zu exportieren. Wir haben es geschafft, einen der führenden Anbieter auf unseren Zielmärkten im Nahen Osten, Nord-Süd-Afrika, Mittelamerika, Asien und Fernost zu werden. Wir sind in der Lage, unsere Zielmärkte in diesem Bereich zu etablieren.

#### OUR STORY

With the interest shown by our domestic and international customers, in order to provide higher quality and better we aim in production of chocolate, Nuga Bar, Coconut Bar, Wafers, Breakfast and Cream Tube chocolate, we have a new modern facility with 60.000 m<sup>2</sup> outdoor and 100.000 m<sup>2</sup> indoor area since 2014. We formed a organizational concept by believing in human, hygiene and sustainable quality management.

We took the pride of bearing a national responsibility with the exports to 7 continentals and 92 countries. Thanks to the warehouses and sales offices we opened in Iraq / Arbil and Morocco / Casablanca, Germany we have succeeded in becoming one of the leading players in our target markets in the Middle East, North-South Africa, Middle America, Asia and Far east countries.

**Wir haben 174 VERSCHIEDENE PRODUKTGESCHMÄCKE und 34 VERSCHIEDENE MARKEN in UNSERER PRODUKTPALETTE.**

Durch die Inbetriebnahme unserer neuen Waffellinie im Jahr 2016 haben wir unsere Lücke in unserem Portfolio geschlossen. Unsere sechste Waffellinie und alle unsere Waffelsorten werden im Jahr 2024 unsere Kunden auf der ganzen Welt erreichen.

Unsere Forschung und Entwicklung ermöglicht es uns, immer wieder neue Köstlichkeiten und effiziente Präsentationen für unsere Produkte zu entwickeln.

Dadurch haben wir uns zu einer gefragten und geschätzten Marke entwickelt. An diesem Punkt, an dem wir unsere Präsenz demonstrieren, ist uns klar geworden, dass jede Aktivität, die wir gezeigt haben, eine Wiederkehr erlebt hat. Tören Schokolade bietet seine Dienstleistungen mit derselben Sensibilität und neuen Köstlichkeiten an.

**WE FORMED 174 VARIOUS PRODUCT TASTE AND 34 SEPARATE BRAND MARK IN OUR PRODUCT SCALE.**

In line with the demand from our consumers and our customers, we filled the gap in our portfolio by commissioning our new wafer line in 2016. In 2024, we will reach our customers all over the world with our 6th wafer line and all our wafer types.

We always prepare new delicacies and efficient presentations for our products by virtue of our research and development.

Thus, we have become a desired and preferred brand. The point we are standing on in our sector proved us that every dedication we showed had a comeback. Tören Çikolata has been providing its services with the same sensitivity and new delicacies.
